

Gli Ultimi Libertini

Benedetta Craveri

Gli ultimi libertini Benedetta Craveri, 2016

The Last Libertines Benedetta Craveri, 2020-10-20 An enthralling work of history about the Libertine generation that came up during—and was eventually destroyed by—the French Revolution. The Last Libertines, as Benedetta Craveri writes in her preface to the book, is the story of a group of “seven aristocrats whose youth coincided with the French monarchy’s final moment of grace—a moment when it seemed to the nation’s elite that a style of life based on privilege and the spirit of caste might acknowledge the widespread demand for change, and in doing so reconcile itself with Enlightenment ideals of justice, tolerance, and citizenship.” Here we meet seven emblematic characters, whom Craveri has singled out not only for “the romantic character of their exploits and amours—but also by the keenness with which they experienced this crisis in the civilization of the ancien régime, of which they themselves were the emblem.” Displaying the aristocratic virtues of “dignity, courage, refinement of manners, culture, [and] wit,” the Duc de Lauzun, the Vicomte de Ségur, the Duc de Brissac, the Comte de Narbonne, the Chevalier de Boufflers, the Comte de Ségur, and the Comte de Vaudreuil were at the same time “irreducible individualists” and true “sons of the Enlightenment,” all of them ambitious to play their part in bringing around the great changes that were in the air. When the French Revolution came, however, they found themselves condemned to poverty, exile, and in some cases execution. Telling the parallel lives of these seven dazzling but little-remembered historical figures, Craveri brings the past to life, powerfully dramatizing a turbulent time that was at once the last act of a now-vanished world and the first act of our own.

Los últimos libertinos Benedetta Craveri, 2018-06-13 Autora ganadora del Premio Viareggio Rèpaci «Craveri escribe con deliciosa amenidad, compatible con el máximo rigor académico. Su narración de hechos y circunstancias es a la vez sólida y llena de ligereza, en el sentido que Italo Calvino daba a esta palabra». Antoni Puigverd, *La Vanguardia* Benedetta Craveri nos presenta en este libro las vidas de siete jóvenes aristócratas brillantes y virtuosos; nos cuenta de qué forma estos hijos de la Ilustración intentaron conciliar una vida de privilegios con la necesidad de cambio acorde con los preceptos de la Revolución francesa. Con el equilibrio de rigurosidad y maestría narrativa que la caracteriza, Craveri nos ofrece también un nuevo y original enfoque sobre una de las épocas más convulsas de la historia social y política de nuestra civilización; el final del Antiguo Régimen y el inicio de la democracia europea. Refinados y aventureros, representantes de una forma de vida que

estaba a punto de terminar, concebían el matrimonio como una convención de artificio mientras alternaban una emocionante vida amorosa sin freno ni límites con la actividad política; buscaban hacerse un sitio cerca del poder mediante estrategias ingeniosas, alianzas camaleónicas e intrigas sagaces y a menudo crueles. Disidentes ideológicos en distintos grados y formas del Régimen absolutista cuyos días estaban contados, el duque de Lauzun, el vizconde y el conde de Ségur, el duque de Brissac, el conde de Narbonne, el caballero de Boufflers y el conde de Vaudreuil —los siete protagonistas de este libro— se vieron arrastrados por las circunstancias históricas y también por su linaje. Todos pagaron un alto precio por ello y eligieron distintos caminos: algunos optaron por las armas, otros por el exilio, pero para todos llegó de forma implacable el final de un mundo hasta entonces compartido.

The Age of Conversation Benedetta Craveri, 2006-08-01 Now in paperback, an award-winning look at French salons and the women who presided over them In the seventeenth and eighteenth centuries, between the reign of Louis XIII and the Revolution, French aristocratic society developed an art of living based on a refined code of good manners. Conversation, which began as a way of passing time, eventually became the central ritual of social life. In the salons, freed from the rigidity of court life, it was women who dictated the rules and presided over exchanges among socialites, writers, theologians, and statesmen. They contributed decisively to the development of the modern French language, new literary forms, and debates over philosophical and scientific ideas. With a cast of characters both famous and unknown, ranging from the Marquise de Rambouillet to Madame de Sta'1, and including figures like Ninon de Lenclos, the Marquise de Sevigne, and Madame de Lafayette, as well as Pascal, La Rochefoucauld, Diderot, and Voltaire, Benedetta Craveri traces the history of this worldly society that carried the art of sociability to its supreme perfection—and ultimately helped bring on the Revolution that swept it all away.

La regina e l'imperatrice Alessandra Necci, 2022-06-28T00:00:00+02:00 Quando Maria Teresa succede al padre Carlo VI d'Asburgo, l'ultimo erede maschio di un casato che aveva prosperato per secoli, molti temono che una donna avvenente, giovane e inesperta non riesca a sopportare il gravoso fardello della corona. Armata di umiltà e determinazione, si rivelerà invece una sovrana illuminata, una «madre della patria» amorevole e attenta alle esigenze dei suoi sudditi, un'imperatrice propensa alla mediazione, ma capace anche di fermezza e pragmatismo, che attuerà una serie di importanti riforme. Costretta in nome della ragion di Stato a dare in sposa l'appena quattordicenne Maria Antonietta al delfino di Francia per rinsaldare l'alleanza fra Vienna e Versailles, Maria Teresa non smetterà mai di preoccuparsi della condotta di questa sua giovane figlia dal carattere vivace, incline alla leggerezza e allo sfarzo. Soprannominata dai suoi nemici «l'Austriaca», considerata il simbolo di un potere opprimente, Maria Antonietta si attira l'odio del popolo per gli errori della prima fase di regno e per la violenta campagna denigratoria di cui è vittima. Dimostra grande fermezza e coraggio negli anni della Rivoluzione e, nell'ottobre del 1793, dopo aver sfilato con estrema dignità tra la folla inferocita, viene ghigliottinata. Un

racconto appassionante che restituisce spessore alle due donne più influenti nell'Europa del Settecento, un'indagine coinvolgente su due distinte e opposte interpretazioni del potere, che getta nuova luce sulla difficile transizione tra il crepuscolo dell'assolutismo monarchico e l'affermazione, anche sanguinosa, delle nuove istanze democratiche.

La politica italiana dal 1863 al 1870 secondo gli ultimi documenti Pietro Balan, 1880

Madame Du Deffand and Her World Benedetta Craveri, 2002 Madame du Deffand (1696-1780) was a minor French aristocrat who, bored by her marriage, threw herself into scandalous relationships with leading noblemen, including the French Regent. She later re-invented herself as a highly successful salonniere, her salon being frequented by leading thinkers of the day. She also maintained very witty, perceptive correspondences with Voltaire (whose letters back are full expositions of his philosophy) and later with Horace Walpole with whom she fell deeply in love, much to his shock.

Gli ultimi Borboni al cospetto dell'attuale liberta d'Italia risposta alle lettere napoletane pubblicate da C. Ulloa per Vincenzo Albarella d'Afflitto Vincenzo Albarella d'Afflitto, 1865

Letteratura permanente AA.VV., 2022-05-19T00:00:00+02:00 Letteratura permanente è un omaggio alla tradizione letteraria italiana, alle sue ricchezze e alle sue interconnessioni con la letteratura europea, alle linee di persistenza e alle cesure che la attraversano. Un viaggio attraverso i secoli (dal XII al XXI) e i temi (le origini, la storia, la natura, il viaggio, il confine...) di una "allegra brigata" di amici che, ciascuno dal proprio punto di osservazione, offre al lettore il quadro di un'epoca, il profilo di un autore o la discussione critica di un nodo tematico. Le voci di acclamati poeti e narratori incontrano quelle dei più illustri critici d'oggi e insieme danno vita a un libro che vuole essere un omaggio a uno degli intellettuali che meglio ha saputo negli ultimi anni coniugare l'attività critica, rigorosa e fertilissima, a uno stile saggistico che è quello di un vero scrittore. Giorgio Ficara, con i suoi lavori su Leopardi e Manzoni, sulla riviera ligure e sui libertini, su Montale e sulla tradizione dei classici, è il maestro con il quale i saggi, i racconti, le poesie qui raccolte intessono un dialogo rivolto verso il futuro di una letteratura che non smette mai di parlarci, un'autentica letteratura permanente.

Sogno d'estate sul costume delle donne ad una gentil dama di spirito, 1805

Pensieri sulla vera valutazione delle forze vive Immanuel Kant, 2019-03-21 I Gedanken rappresentano il primo momento sintetico della speculazione kantiana. In essi è affrontata la celebre querelle delle forze vive, occasionata da Leibniz nel 1686 nei riguardi della filosofia cartesiana attorno al tema della conservazione della quantità di moto. Già da questo primo scritto emerge chiaramente il filo conduttore che attraversa tutta la ricerca scientifica di Kant, volta al perseguimento di una descrizione sistematica dell'Universo, antecedentemente determinata (a priori), secondo l'indirizzo programmatico della Scienza "classica", vale a dire in assoluta conformità rispetto alla legge di causalità e al principio di ragion sufficiente,

Trattato delle società - Tomo II Vincenzo Donativi, 2022-09-09 Il Tomo II del Trattato delle Società fornisce un quadro completo della disciplina delle società per azioni. Il testo si apre con un autorevole saggio introduttivo dedicato all'analisi sistematica e alle più recenti tensioni evolutive della nozione di società per azioni, seguito da un approfondimento dell'articolazione del modello tra società "aperte" e "chiuse". Sono quindi trattati, con distribuzione degli argomenti secondo un taglio di tipo sistematico, tutti i profili di disciplina delle società azionarie, fatta eccezione per quelli, comuni a tutti i tipi societari, collocati nel Tomo I, e quelli, comuni alle società di capitali, collocati nel Tomo III. Il taglio dell'opera è quello della trattazione di alto profilo scientifico, assicurata dalla autorevolezza accademica o istituzionale dei diversi Autori, non disgiunta da una marcata sensibilità per le #ricadute pratiche, garantita anche dalla completezza dei riferimenti giurisprudenziali e dall'uso di modalità grafiche che agevolano la lettura. Della stessa Collana altri 3 tomi dedicati alle società in generale e alle società di persone (Tomo I), alle società in accomandita per azioni, alle s.r.l. e agli istituti comuni alle società di capitali (Tomo III) e, infine, ai diversi "statuti normativi speciali" (dalle quotate, alle società del sistema bancario e finanziario, fino a tutte le ormai numerosissime figure di diritto speciale o singolare) e alle cooperative (Tomo IV). Ciascun tomo, pur autonomo, è parte di un'Opera "omnia" che, per la sua completezza, per la metodologia adottata e per l'autorevolezza degli Autori, ci si augura possa divenire un punto di riferimento per quanti in futuro (non necessariamente prossimo) saranno chiamati a confrontarsi con la materia.

This Enthralling Realm of E-book Books: A Comprehensive Guide Revealing the Advantages of E-book Books: A Realm of Convenience and Flexibility E-book books, with their inherent portability and ease of access, have liberated readers from the constraints of hardcopy books. Gone are the days of lugging bulky novels or meticulously searching for specific titles in bookstores.
