Make: Electronics Charles Platt, 2009-11-23 This is teaching at its best! --Hans Camenzind, inventor of the 555 timer (the world's most successful integrated circuit), and author of *Much Ado About Almost Nothing: Man's Encounter with the Electron* (Booklocker.com) A fabulous book: well written, well paced, fun, and informative. I also love the sense of humor. It's very good at disarming the fear. And it's gorgeous. I'll be recommending this book highly. --Tom Igoe, author of *Physical Computing* and *Making Things Talk* Want to learn the fundamentals of electronics in a fun, hands-on way? With *Make: Electronics*, you'll start working on real projects as soon as you crack open the book. Explore all of the key components and essential principles through a series of fascinating experiments. You'll build the circuits first, then learn the theory behind them! Build working devices, from simple to complex You'll start with the basics and then move on to more complicated projects. Go from switching circuits to integrated circuits, and from simple alarms to programmable microcontrollers. Step-by-step instructions and more than 500 full-color photographs and illustrations will help you use -- and understand -- electronics concepts and techniques. Discover by breaking things: experiment with components and learn from failure Set up a tricked-out project space: make a work area at home, equipped with the tools and parts you'll need Learn about key electronic components and their functions within a circuit Create an intrusion alarm, holiday lights, wearable electronic jewelry, audio processors, a reflex tester, and a combination lock Build an autonomous robot cart that can sense its environment and avoid obstacles Get clear, easy-to-understand explanations of what you're doing and why

Employment Law for Business Dawn Bennett-Alexander, Laura Pincus Hartman, 2001 Addresses law and employment

decisions with a management perspective. This text explains how to approach and manage legal employment decisions, and outlines the specific legal framework in which management decisions are made.

The Legal Environment of Business Nancy K. Kubasek, Bartley A. Brennan, M. Neil Browne, 2009 This is the only textbook that helps students develop a thorough understanding of the legal environment of business and enhances their ability to engage in critical thinking and ethical analysis. The legal environment of business is thoroughly treated in an extremely reader-friendly manner; various topics include: the American legal system, dispute resolution, constitutional principles, cyberlaw, white-collar crime, contracts, sales, product and service liability, the law of property, agency law, labor-management relations, environmental law, securities trading and issuance, antitrust laws, and debtor-creditor relations. An excellent desk reference for the legal departments of any business, this book also provides an interesting read for anyone interested in business and ethics.

Environmental Law Nancy K. Kubasek, 1997 Designed to introduce those without any legal or special scientific training to the system through which the nation attempts to preserve and protect the different aspects of our environment. This basic introduction to environmental law explains the legal system and process in general, discusses specific environmental laws, and presents the scientific background necessary for understanding each law.

Legal Research and Writing for Paralegals Deborah E. Bouchoux, 2013-10-31 A clear, well-organized text for the introductory legal research and writing course, designed specifically for paralegal students.

International Economics James Gerber, 2011 Aimed at students who require a readable and accessible textbook that provides both basic economics theory and in-depth content on international policy issues, this volume will be of great use to history, political science and public administration majors.

Freedom of Speech in the United States Thomas L. Tedford, 1985 This historical development of freedom of speech from Athens, through Rome, to England and the United States presents comprehensive, up-to-date treatment secure upon a historical First Amendment base that also covers defamation and privacy, obscenity, commercial speech, prior restraint, free press/fair trial, copyright and broadcasting as well as questions of media access.

The Juvenile Justice System Dean J. Champion, Alida V. Merlo, Peter J. Benekos, 2013 A market-leader, *The Juvenile Justice System*, 7e, follows a true-to-life focus, capturing the essence of what it means to be part of the juvenile justice system through personality highlights, career snapshots, and personal accounts. The text provides a thorough examination of the

juvenile justice system through easy-to-understand descriptions and discussions of policy, practice, and procedure in juvenile justice. It covers the entire process from arrest, intake, and adjudicatory hearings, to dispositions, and aftercare. This includes up-to-date, comprehensive coverage of historical, applied, theoretical, and legal information about the juvenile justice system and juvenile delinquency.

Torts and Compensation Dan B. Dobbs, Paul T. Hayden, Ellen M. Bublick, 2013 This version of Dobbs, Hayden and Bublick's Torts and Compensation is newly streamlined for professors who teach a four-unit course or who want to cover fewer pages per day, yet retain complete coverage. This edition tracks the standard edition, but cuts an additional 300 pages by removing some cases and notes and occasionally trimming a case to a shorter format. This edition also omits chapters concerning defamation, fraud, and other economic and dignitary torts, as well as some material concerning alternatives to Tort law. The result is a substantially shorter casebook that nevertheless provides the coverage most teachers want.

Legal Rights of School Leaders, Teachers, and Students Martha M. McCarthy, Suzanne Eckes, Janet R. Decker, 2018 Tort liability -- Church/state relations -- Instructional issues -- Student expression, association, and appearance -- Student classifications -- Rights of students with disabilities -- Student discipline -- Conditions of employment and collective bargaining -- Employees' substantive constitutional rights -- Discrimination in employment -- Termination of employment -- Alternatives to increase educational choice -- Summary of legal generalizations

Contract Law for Paralegals Kathleen Reed, John J. Schlageter III, Henry Cheeseman, 2019-03-15 For courses in contract law for paralegals. A hands-on guide to contract development Contract Law for Paralegals introduces future paralegals to all facets of contract preparation, including ethical, practical, and professional issues. Updated for current case law, the text combines a strong foundation in essential principles with actionable insight into researching, creating, and interpreting contracts. Along the way, students practice drafting contracts for equipment, real estate, and business sales, while completing critical thinking assignments involving attorney briefings and legal cases. The 3rd edition includes new and revised contract examples, contract law cases, and exercises that build skills, provide drafting practice, and generate samples for a paralegal portfolio.
