Statement on Auditing Standards, Number 126 AICPA,2017-05-15 As a result of its Clarity Project, the Auditing Standards Board (ASB) has issued Statement on Auditing Standards (SAS) No. 126, The Auditor's Consideration of an Entity's Ability to Continue as a Going Concern (Redrafted), to supersede SAS No. 59, The Auditor's Consideration of an Entity's Ability to Continue as a Going Concern, as amended (AICPA, Professional Standards, AU sec. 341 and AU-C sec. 570). SAS No. 126 does not change or expand SAS No. 59, as amended, in any significant respect. The ASB has moved forward with the clarity redraft of SAS No. 59, as amended, so that it is consistent with the format of the other clarified SASs that were recently issued as SASs No. 122, Statements on Auditing Standards: Clarification and Recodification, No. 124, Financial Statements Prepared in Accordance With a Financial Reporting Framework Generally Accepted in Another Country, and No. 125,Alert That Restricts the Use of the Auditor's Written Communication. However, the ASB decided to delay convergence with International Standard on Auditing 570, Going Concern, pending the Financial Accounting Standards Board's (FASB) anticipated development of accounting guidance addressing going concern. FASB issued an exposure draft, Going Concern, in October 2008, but based on recent decisions, FASB has divided the project into two separate and distinct phases. As a result, FASB projects to issue an exposure draft that addresses Phase 1, "The Liquidation Basis of Accounting," in the second quarter of 2012, and to reissue an exposure draft that addresses Phase II, "Going Concern," in the fourth quarter of 2012. SAS No. 126 addresses the auditor's responsibilities in an audit of financial statements with respect to evaluating whether there is substantial doubt about the entity's ability to continue as a going concern. This SAS applies to all audits of financial

statements regardless of whether the financial statements are prepared in accordance with a general purpose or a special purpose framework¹. This SAS does not apply to an audit of financial statements based on the assumption of liquidation (for example, when [a] an entity is in the process of liquidation, [b] the owners have decided to commence dissolution or liquidation, or [c] legal proceedings, including bankruptcy, have reached a point at which dissolution or liquidation is probable).²

Statement on Auditing Standards, Number 129 AICPA,2016-10-31 The Auditing Standards Board (ASB) has issued Statement on Auditing Standards (SAS) No. 129, Amendment to Statement on Auditing Standards No. 122 Section 920,

Letters for Underwriters and Certain Other Requesting Parties, as amended(AICPA, Professional Standards, AU-C sec. 920), to address unintended changes to previous practice as a result of its Clarity Project. AU-C section 920 addresses the auditor's responsibilities when engaged to issue letters (commonly referred to as comfort letters) to requesting parties in connection with a nonissuer entity's financial statements included in a registration statement or other securities offerings. This amendment amends the requirement to inform the requesting party that the auditor cannot provide any assurance regarding the sufficiency of the procedures for the requesting party's purposes by changing "state in any discussion" to "communicate" so as to provide the auditor with more flexibility in making this required communication. clarifies that the requirement for the auditor to read the comfort letter issued by component auditors whose report is included in the securities offering applies to each component auditor, not only those comfort letters related to significant components. amends the requirement to attach the review report when the auditor states in the comfort letter that the auditor has performed a review of unaudited interim financial information to a requirement to attach the review report when the auditor states in the comfort letter that the auditor has issued a review report on unaudited interim financial information. amends application material to indicate that attaching the review report on unaudited interim financial information is required when the auditor states in the comfort letter that the auditor has issued a review report on unaudited interim financial information. amends example D to change the concluding paragraph from referring to the pro forma bases described in the notes to the pro forma financial statements to referring to the applicable accounting requirements of Rule 11-02 of Regulation S-X and rennumbers example D as example D-1. adds example D-2 to address providing negative assurance on pro forma financial information as to compliance with pro forma bases as described in the pro forma financial information. amends example O to include wording to address procedures performed with regard to pro forma information and subsequent change period not previously carried forward from AU section 634, Letters for Underwriters and Certain Other Requesting Parties. makes additional editorial changes for clarity and consistency. SAS No. 129 is effective for comfort letters issued on or after December 15, 2014. Early implementation is encouraged.
